Exhibit A

NON-DISCLOSURE AGREEMENT

THIS NON-DISCLOSURE AGREEMENT ("Agreement") is made between 1st Global Solutions & Consultants and Aaron Evans and its affiliates.

WITNESSETH:

WHEREAS, the Client possesses, without limitation, certain confidential and/or proprietary financial, marketing, research and development, organizational, technical and business information policies or practices, and certain non-public personal or financial information received from third parties such as clients or customers that the Client is obligated to treat as confidential (hereinafter collectively referred to as "Confidential Information");

WHEREAS, the parties would like to conduct discussions relating to a specific business purpose ("Purpose");

WHEREAS, such discussions may provide the Vendor with direct or indirect access to the Confidential Information of the Client;

WHEREAS, the Client is willing to make such disclosure to the Vendor, but only on a confidential basis and subject to the following terms and conditions;

NOW, THEREFORE, in consideration of the terms and mutual agreements hereinafter contained, the parties do hereby agree as follows:

1.	Vendor shall use Confidential Information received from the Client hereunder solely for the purpose of conducting discussions in relation to the Purpose.

2.	Vendor shall maintain in confidence all Confidential Information disclosed to it hereunder by the Client; in oral, written, visual or electronic form, and shall not permit the disclosure of same to any third party; except when, after and to the extent such Confidential Information (i) was already known to said Vendor prior to the disclosure of same hereunder, as evidenced by said Vendor's written records prepared prior to such disclosure or (ii) was in or hereafter comes within the public domain, other than by said Vendor's failure to fulfill its obligations hereunder. Vendor shall establish security procedures to protect the confidentiality of such Confidential Information and employ the same standard of care with such information as with Vendor's confidential information, which in any event shall not be less than reasonable care.

3.	Vendor shall limit the disclosure of Confidential Information received by it hereunder to those of its officers and employees whose skills are needed for carrying out the purposes of this Agreement, and shall permit only those officers and employees to have access thereto. Vendor shall advise each such officer and employee of the obligations of confidentiality which said Vendor has assumed under this Agreement, and shall require that each such employee be bound to secrecy to at least the same extent as said Vendor is bound under this Agreement.

4.	No right or license under any patent, trademark, trade secret or copyright now or hereafter owned or controlled by the Client shall be implied as having been granted to the Vendor by any disclosure made hereunder of any Confidential Information or by any other activity under this Agreement.

1st Global Solutions & Consultants ▪ 3760 Oceanic Way, Suite 501-172 ▪ Oceanside, CA 92056 ▪ Phone 760.681.5861 ▪ Fax 760.681.5862

Page 3 of 4

5.   It is understood and agreed that this Agreement is intended to cover and permits only the exchange of information and discussions between the parties, and is not intended to cover the performance of any work or of any business transaction. If such work or business transaction is determined by the parties to be desirable, it will be covered by and conducted under a suitable, separate agreement.

6   Any materials containing Confidential Information submitted by the Client hereunder shall at all times remain the property of the Client. The Vendor shall not make or retain any copies thereof, without the Client's prior written permission, and shall return all such material to the Client promptly upon request.

7.   The Client's waiver of confidentiality with respect to any specific item of Confidential Information disclosed hereunder shall neither constitute nor be construed as a general waiver of confidentiality with respect to any and all other Confidential Information disclosed hereunder.

8.   In the event that Vendor receives a subpoena or other validly issued administrative or judicial process requesting Confidential Information of the other party, the Vendor shall promptly notify the Client and tender to it the defense of such demand. Unless the demand shall have been timely limited, quashed or extended, the Vendor shall thereafter be entitled to comply with such demand to the extend permitted by law. If requested by the Client, the Vendor shall cooperate (at the expense of the requesting party) in the defense of the demand.

9.This Agreement shall be deemed to be a contract made in and subject to interpretation in accordance with the laws of the State of California, but shall not include any conflict of law rule that might direct or refer determination of any such matter to the laws of any other jurisdiction.

10.   Unless terminated earlier by mutual agreement of the parties, this Agreement shall continue in perpetuity following the date first above written. In the event of early termination, the obligations of confidentiality set in Paragraph 2 hereof and the provisions of Paragraph 6 hereof shall continue in effect in accordance with their respective provisions.

11.   This Agreement is not assignable by either party without the prior consent of the other party, but shall be binding upon and shall inure to the benefit of the legal successors of the respective parties.

12.   Neither party may use the name of the other in connection with any advertising or publicity materials or activities without the prior written consent of the other party.

The foregoing constitutes the entire and only understanding between the parties with respect to the subject matter of this Agreement and supersedes any prior or collateral agreement or understanding between them. No amendment to this Agreement shall be effective, unless made in writing and signed by a duly authorized representative of each party.

Testing Web Applications & Services

2.0 days

Course Description

Introduction
How testing web applications is different from traditional applications
Differences between web sites and applications
Differences between web applications and services
How web services compliment web applications
Manual testing and test automation

A technical understanding of the web
A brief history of the internet
Networks
Understanding HTTP
Browsers and HTML
CSS, Javascript, and AJAX
JQuery
Web Architecture
Horizontal Scaling

Testing web applications
Testing techniques using the browser
Testing without the browser
Verifying on the server
Additional considerations
Troubleshooting network issues
Troubleshooting server-side issues
Troubleshooting test failures
Security Testing
Testing single page apps
Testing web components
Using Firebug / Web Developer
Automating tests
Using Selenium to create automation
Considering which strategies to use for testing web applications

AngularJS
Overview of AngularJS
Using node.js
Angular Templates and MVC
Advanced concepts (Routing, Filters, Event Handling)
REST Services with AngularJS
Testing with AngularJS
Batarang browser plugin

Web application testing exercise
The goal of this exercise is to put to use the techniques and tools we've studied to perform a variety of tests on a live web application.
